## APPLICATION FOR BENEFITS COMMONWEALTH OF PENNSYLVANIA DEPARTMENT OF PUBLIC WELFARE

## **PROVIDER INSTRUCTIONS**

Before completing this application, access the Eligibility Verification System (EVS) using client's date of birth and social security number to determine if the client is already receiving benefits. If they are not receiving benefits, the Department encourages medical facilities to take applications so that the facility will not bear expenses for medical care for which public funds are available. Delays in applications can mean delays in payments for medical assistance:

PA 600 - Application for Benefits, Including the Provider Addendum MA 314 - Eligibility Determination Form (For Inpatient Care Only)

If the PA 600 (including the Provider Addendum, when needed) contains the necessary information and verification, the CAO can determine eligibility for medical assistance and authorize either partial of full payment for medical services. If the PA 600 and Addendum are not complete, the CAO will not be able to determine eligibility until the client is interviewed. This may delay payment or result in denial.

When there is a pregnant woman or a child under the age of 21 in the household, the shorter application form, PA 600CH (Medicaid/CHIP application), may be used.

Complete the application for medical assistance benefits as follows:

- 1. Remove this page and complete the Addendum on the reverse side.
- Complete the "PROVIDER USE ONLY" section on page 1 of the Application For Benefits (PA 600). Give the remaining booklet to the applicant for completion of all information.
- 3. After the applicant has completed the booklet, review for completeness and have the applicant sign the affidavit on page 16.
- 4. The applicant's signature must be witnessed by the provider or the provider's employee.
- 5. Complete and attach the reverse of this page to the back of this booklet.

### **PA 600 COMPLETION CHECKLIST**

If any sections are left blank or completed inaccurately, the county assistance office cannot immediately process the request for payment for medical services, and a face-to-face interview in the CAO may be necessary.

The application should include:

- Page 1 Name and address of applicant and signature of applicant, or someone on his/her behalf, and date.
- Pages 2-13 As much information as possible for the applicant and other family members who are applying.
  - Yes or No answers to all questions. If Yes, additional information should be entered.
- Affidavit The date and signature of the applicant or someone on his/her behalf. (Page 16)
  - The form is signed and dated by the provider or the provider's employee.

## WHO MAY APPLY

#### ANYONE WHO WISHES TO APPLY FOR MEDICAL ASSISTANCE (MA) MUST BE GIVEN THE OPPORTUNITY TO DO SO.

- 1. When a person requests an application, he or she may request medical assistance for him/herself only or for him/herself and other family members who wish to be included. The application is for all medical services covered under the MA program For this reason, the application must contain information about the applicant and all other family members who wish to apply. In addition, the CAO may use income and resource information from other family members to compute eligibility.
- 2. Any person, agency or institution may complete and/or submit an application form for medical assistance on behalf of an applicant. The applicant should, if at all possible, complete and sign the form. If someone else completes and signs the form, the applicant remains responsible for any fraudulent statements made on the application.
- 3. If another person signs for the applicant, enter the name and address of that person on the address line beneath the signature lines.
- 4. An application for a deceased person will be accepted if the person died during the month of application or during the 3 calendar months before the month of application. A relative, friend or official of the institution or agency which provided the service may complete and sign the application.

### WHEN APPLICATION SHOULD BE MADE

When a person indicates that he/she wishes to apply for medical assistance, have the person immediately sign and date Page 1 and complete the PA 600. After the provider's representative has reviewed the form for completeness, he/she will witness the client's or representative's signature on Page 16. If the application is approved, medical assistance coverage begins on the date of the signature on the front of the booklet. Payment may be available for a service given prior to this date, if the service was given in the month of application. Delay in obtaining the applicant's signature may cause the applicant to be liable for medical services that may have been covered by the MA program.

If you have any questions about the completion of the application form, phone 1-800-692-7462.

## **RETROACTIVE COVERAGE**

The Department will pay for certain medical services provided up to three months before the calendar month of application if the applicant is eligible. If payment is being requested for medical services provided during this retroactive period, use the provider addendum to provide necessary information.

## VERIFICATION

Applications must have necessary verification of income, resources, medical expenses, and any other information needed, or a county assistance office interview may be required before benefits are authorized.

## **APPLICATION FOR BENEFITS**

- Read the entire application form.
- Print the requested information in the unshaded sections.
- If you need help completing this application, another person of your choosing can help you; you can get help from your county assistance office (CAO) or you can call the HELPLINE at 1-800-692-7462. If you are hearing impaired, call TDD 1-800-451-5886.
- We will accept your application during normal business hours.

You may apply for cash, Medical Assistance and/or Food Stamp benefits using this form. If you are not eligible for cash and/or Medical Assistance benefits, you will not need to file a new application to receive or continue to receive Food Stamp benefits. If you or any of your children do not qualify for Medical Assistance, you or they may qualify for healthcare coverage through the Children's Health insurance Program (CHIP) or the adultBasic program. You will not need to file a new application. A copy of this application will be provided to the Department of Insurance or to a CHIP or adultBasic contractor.

We will start your application once you complete your name, address and signature. (Questions not marked optional must be answered before we can make a decision on your eligibility.)

You should complete the form, sign and date it. Bring it, have someone else bring it or mail it to the CAO. Medical Assistance providers or other agencies approved by our Department may submit applications for Medical Assistance. If you return your application by mail, you will receive further instructions for completing the application process. We will tell you if a face-to-face interview is needed. You must prove your identity. If necessary, the CAO can help you to obtain this proof.

We will tell you within 30 days after we receive your completed application whether or not you are eligible. Food Stamp benefit eligibility starts from the date your application is received. If eligible for cash assistance, your benefits will begin on the date we receive all the information we requested. If an interview is required, and you do not appear or contact us within 30 days of application, your application will be denied.

The Department issues cash and Food Stamp benefits through the Electronic Benefits Transfer (EBT) system. This system allows you to use your EBT ACCESS card to obtain your cash benefits from certain Automatic Teller Machines (ATMs) 24 hours a day, or to buy items at stores that accept the card. The Food Stamp benefits on the EBT ACCESS card can be used for buying food or seeds and plants to grow food for personal consumption.

If you are applying for cash assistance, you and the caseworker who interviews you will complete an <u>Agreement of Mutual Responsibility (AMR)</u>. The AMR stresses the temporary nature of cash assistance and describes the steps you agree to take that will help you support yourself and your family without welfare.

Your information is kept confidential; it is used only to administer the programs for which you may be eligible. Pages 14 and 17 of this document list your rights and responsibilities. Pages 17 and 18 will be given to you.

# **FAMILY SAFETY**

## **Information About Your Benefits and Domestic Violence**

## Domestic violence happens when someone in your life harms you physically, sexually or emotionally, including:

- Physically hurting you or your children
- Threatening or trying to hurt you, your children or your property
- Forcing you to have sex
- Sexually abusing your children

- Controlling where you go and who you see
- Not allowing you or your children to have food, clothing or medical care
- Keeping you from going to work or school
- Following or stalking you

If you are or have been a victim of domestic violence or are at risk of further violence, your caseworker can:

- Help you find local programs where you can get counseling, safety planning, shelter, legal services and other help.
- Excuse you from requirements for cash assistance if domestic violence prevents you from complying: Sometimes people cannot safely follow welfare requirements because they fear that they or their children will be abused if they do so. These include:
- Support cooperation
- ♦ Work (RESET)
- Time limits

- Requirements that teen parents live at home
- Verification
- Other requirements on a case-by-case basis

## If you need to be excused from welfare requirements because of domestic violence, tell your caseworker.

You can ask to speak to your caseworker in private. You may not want to share this information with your caseworker or you may decide to discuss it with your worker later. Your caseworker and the staff at the county assistance office will keep your personal information confidential. However, the Department of Public Welfare is required by law to report child abuse to the local Children and Youth Agency.

## **CLIENT'S RIGHTS**

#### **RIGHT TO NONDISCRIMINATION**

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (866) 632-9992 or (202) 401-0216 (TDD). USDA is an equal opportunity provider and employer.

#### **RIGHT TO APPEAL**

You have the right to ask for a Pennsylvania Department of Public Welfare hearing to appeal a decision of or failure to act by the Department which affects your benefits or that you believe is unfair or incorrect. You may file the appeal at the county assistance office (CAO). At the appeal hearing, you may represent yourself, or someone else, such as a lawyer, friend or relative may represent you.

#### **RIGHT TO AN AGENCY CONFERENCE**

If you appeal, you may have an agency conference before the hearing. If you appeal because the Department decided that you are not eligible for expedited Food Stamp service, you have a right to an agency conference with a supervisor within two work days.

#### **RIGHT TO A WRITTEN NOTICE**

We will give you a written notice explaining your benefits. If we deny, change, suspend or stop benefits, we will explain the reason on the notice. You have 30 days (90 days for food stamps) from the mailing date of the notice to ask for a hearing if you disagree with the action taken and/or the reasons given.

#### **RIGHT TO A CERTIFICATE OF CREDITABLE COVERAGE**

You have the right to ask the Department to provide you with a Certificate of Creditable Coverage to verify your Medical Assistance coverage. Federal law limits when health coverage may be denied or limited for a pre-existing condition. If you enroll in a group health plan that excludes treatment for a pre-existing condition, you can be credited for the time you received Medical Assistance. You may request a certificate to verify your Medical Assistance coverage. Contact your case worker to request this certificate

#### **RIGHT TO CONFIDENTIALITY**

We keep information you give confidential and use it only to administer the programs you apply for and/or may be eligible for, such as the school lunch program, the Children's Health Insurance Program (CHIP) or adultBasic. Any person knowingly violating any of the rules and regulations of this Department shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine, not exceeding one hundred dollars (\$100), or to undergo imprisonment, not exceeding six months, or both (62 P.S. Section 483). The CAO, when requested, must provide federal, state and local law enforcement officials with the address, Social Security Number and photograph (if available) of an individual who is fleeing to avoid prosecution, custody or confinement for a felony or violating probation or parole.

#### **RIGHT TO CLAIM GOOD CAUSE**

The law requires you to cooperate in establishing paternity for any child born out of marriage and get any support owed to you and/or any child(ren) for whom you want cash and/or Medical Assistance. The Department will excuse you from cooperating with the support requirements if you prove that it would not be in the best interest of you or the child(ren) for whom assistance is claimed. If you are not exempt from employment and training requirements, you must comply unless you have good cause. You must meet Semiannual Reporting requirements unless you have good cause.

## CLIENT RESPONSIBILITIES

#### RESPONSIBILITY TO ACKNOWLEDGE LIABILITY OF REAL OR PERSONAL PROPERTY

If you are applying for cash assistance and have non-resident real property and/or personal property, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

If you are age 55 or older and receive Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you will be required to repay the cost of these services from your probate estate.

#### **RESPONSIBILITY TO PROVIDE INFORMATION**

You must give true, correct and complete information. You must cooperate in documenting or proving the information you give. Cash assistance may be denied if you fail to provide certain verification. If you cannot provide proof, you should ask the CAO to help. You must cooperate fully with persons or investigators of the Department or the Office of Inspector General conducting investigations.

#### **RESPONSIBILITY TO REPORT CHANGES**

For cash assistance and Medical Assistance, you must report changes in: the number of people in your household, address, new unearned income, real property or other resources (such as bank accounts or life insurance). However, for Medical Assistance, if you are pregnant, under 21 years of age or have a dependent child under 21 years of age living with you, you are not required to report changes in resources. You must report any plans to leave the state, even temporarily. If you have no earned income, you must report new employment or new income from self-employment. If you have earned income, you must report if your gross monthly earned increases by more than \$100 than the estimated gross monthly earned income used to determine your benefit. If you have unearned income, your benefit. You must report changes within the first 10 days of the month following the month of the change.

For Food Stamp households that are not participating in Semiannual Reporting (SAR), you must report changes as described for cash assistance with three exceptions. If you have unearned income, you must report increases or decreases in gross monthly unearned income of more than \$50. Additionally, changes in life insurance and temporary absences from the state or county do not need to be reported.

For Food Stamp households that are participating in SAR, you must report if your household's total gross monthly income exceeds 130 percent of the Federal Income Poverty Guidelines (FPIGs) for your household size. The report must be made within 10 calendar days from the end of the month in which the gross monthly income exceeds the 130 percent FPIGs. Your caseworker will explain your specific income reporting requirement.

In addition, for Food Stamp households that contain an Able-Bodied Adult Without Dependents (ABAWD) that are participants in SAR, the household must report if the ABAWD work hours fall below an average of 20 hours weekly. An ABAWD means that you are able to work, you are age 18 through 49 and you have no children under age 18 who live with you.

If you are proven to have failed, without good cause, to report earned income in a timely manner, you may not receive an earned income deduction on the unreported income. This may reduce the amount of cash assistance and/or Food Stamps to which you are entitled and increase the amount of the overpayment claim.

You can report changes to the CAO in person, by telephone, by fax or by mail.

#### RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY

You may use the PA ACCESS card for services only during the period you are eligible. You must use the card only for the person who is eligible and you may get only the services that are needed and reasonable.

#### **RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS**

For cash, Medical Assistance and/or Food Stamp benefits, you must provide a Social Security Number (SSN) for each person for whom you are applying. If you do not have an SSN you must apply for one. Refusal or failure to provide an SSN may result in disqualification. For cash benefits, we will also ask you to supply an SSN for anyone else whose income and/or resources affect your eligibility or amount of benefits. Your SSN is used to verify your identity and to prevent duplication of state and federal benefits. Your SSN is used for computer matches to verify income and resources that may affect your eligibility and/or benefits. An alien who is applying for emergency Medical Assistance only, is not required to provide an SSN. (42 U.S.C. §1320b-7).

## **PROHIBITIONS AND PENALTIES**

#### You must not:

- give false, incorrect or incomplete information;
- trade, sell or alter your Electronic Benefit Transfer (EBT) Card or your PA ACCESS Card;
- use someone else's EBT or PA ACCESS Card;
- use your Food Stamp benefits to buy ineligible items such as alcoholic drinks or tobacco;
- use your Food Stamp benefits to buy drugs or controlled substances, firearms, ammunition or explosives; or
- use your Food Stamp benefits to pay for food already received, or use your Food Stamp benefits to purchase food on credit.

Any member of your household who is found guilty by a court or an Administrative Disqualification hearing of breaking any of the above rules or who signs a voluntary disqualification consent agreement or waiver of Administrative Disqualification hearing will be barred from getting cash assistance or Food Stamp benefits for up to:

- 12 months for the first violation;
- · 24 months for the second violation; and
- · permanently for the third violation.

Any household member found guilty by a court of using Food Stamp benefits to buy controlled substances will be disgualified for:

Additionally, you must not voluntarily and without good cause quit your job or reduce the number of hours you work if, after the reduction, you are employed less than 30 hours per week.

If you or another member of your household violates any of the above work requirements, you or that person may be disqualified from receiving Food

Stamps. Before a disqualification is imposed, you will receive a notice and will have the right to appeal and have a fair hearing.

The minimum disqualification periods are as follows: for the first violation, one month and thereafter until the failure to comply ceases; the second violation is three months and thereafter until the failure to comply ceases; and for the third and subsequent violations, six months and thereafter until the failure to comply ceases.

## CLIENT RESPONSIBILITIES

#### RESPONSIBILITY TO ACKNOWLEDGE LIABILITY OF REAL OR PERSONAL PROPERTY

If you are applying for cash assistance and have non-resident real property and/or personal property, we may require you to sign an agreement to repay benefits that you, your spouse and your children have received.

If you are age 55 or older and receive Medical Assistance to pay for nursing facility services, home and community-based waiver services and any related hospital and prescription drug service, you will be required to repay the cost of these services from your probate estate.

#### **RESPONSIBILITY TO PROVIDE INFORMATION**

You must give true, correct and complete information. You must cooperate in documenting or proving the information you give. Cash assistance may be denied if you fail to provide certain verification. If you cannot provide proof, you should ask the CAO to help. You must cooperate fully with persons or investigators of the Department or the Office of Inspector General conducting investigations.

#### **RESPONSIBILITY TO REPORT CHANGES**

For cash assistance and Medical Assistance, you must report changes in: the number of people in your household, address, new unearned income, real property or other resources (such as bank accounts or life insurance). However, for Medical Assistance, if you are pregnant, under 21 years of age or have a dependent child under 21 years of age living with you, you are not required to report changes in resources. You must report any plans to leave the state, even temporarily. If you have no earned income, you must report new employment or new income from self-employment. If you have earned income, you must report if your gross monthly earned income increases by more than \$100 than the estimated gross monthly earned income used to determine your benefit. If you have unearned income, you must report if your gross monthly earned income than \$50 than the amount used to determine your benefit. You must report changes within the first 10 days of the month following the month of the change.

For Food Stamp households that are not participating in Semiannual Reporting (SAR), you must report changes as described for cash assistance with three exceptions. If you have unearned income, you must report increases or decreases in gross monthly unearned income of more than \$50. Additionally, changes in life insurance and temporary absences from the state or county do not need to be reported.

For Food Stamp households that are participating in SAR, you must report if your household's total gross monthly income exceeds 130 percent of the Federal Income Poverty Guidelines (FPIGs) for your household size. The report must be made within 10 calendar days from the end of the month in which the gross monthly income exceeds the 130 percent FPIGs. Your caseworker will explain your specific income reporting requirement.

In addition, for Food Stamp households that contain an Able-Bodied Adult Without Dependents (ABAWD) that are participants in SAR, the household must report if the ABAWD work hours fall below an average of 20 hours weekly. An ABAWD means that you are able to work, you are age 18 through 49 and you have no children under age 18 who live with you.

If you are proven to have failed, without good cause, to report earned income in a timely manner, you may not receive an earned income deduction on the unreported income. This may reduce the amount of cash assistance and/or Food Stamps to which you are entitled and increase the amount of the overpayment claim.

You can report changes to the CAO in person, by telephone, by fax or by mail.

#### RESPONSIBILITY TO USE THE PA ACCESS CARD LAWFULLY

You may use the PA ACCESS card for services only during the period you are eligible. You must use the card only for the person who is eligible and you may get only the services that are needed and reasonable.

#### RESPONSIBILITY TO PROVIDE SOCIAL SECURITY NUMBERS

For cash, Medical Assistance and/or Food Stamp benefits, you must provide a Social Security Number (SSN) for each person for whom you are applying. If you do not have an SSN you must apply for one. Refusal or failure to provide an SSN may result in disqualification. For cash benefits, we will also ask you to supply an SSN for anyone else whose income and/or resources affect your eligibility or amount of benefits. Your SSN is used to verify your identity and to prevent duplication of state and federal benefits. Your SSN is used for computer matches to verify income and resources that may affect your eligibility and/or benefits. An alien who is applying for emergency Medical Assistance only, is not required to provide an SSN. (42 U.S.C. §1320b-7).
